

The Triangle Rock Paper Scissors Showdown

Benefiting Learning Together

SATURDAY, MARCH 30th, 2019

Learning Together's mission is to meet the developmental, educational, and health needs of young children of all abilities. Learning Together's Developmental Day program is an inclusive early childhood education program that serves children from all backgrounds, all socio-economic levels, and all abilities, including children with developmental disabilities, children at risk for disabilities or delays, and children who are typically developing. We believe in pursuing and nurturing inclusion, diversity, integrity, quality, interdependency, and innovation in our daily operations.

Since its inception in 1969, our objective is that each child, no matter where they may fall on a spectrum, will receive the foundation they need to be successful and reach their full potential. Learning Together is licensed as a Five-Star Center, the highest rating possible through the North Carolina Division of Child Development and Early Education, and has a national NAEYC accreditation.

We are honored to be part of a community that is supportive and dedicated to seeing children reach their full potential. As a local nonprofit serving the community for over four decades, Learning Together values its corporate partners as an integral part of our organizational development. We strive to provide our partners with a specialized return on investment that benefits your company's needs and requests, and that you can be sure will directly benefit our students and families.

The Triangle Rock Paper Scissors Showdown opportunity:

In a community full of outstanding nonprofits and wonderful fundraisers, Learning Together's annual Triangle Rock, Paper, Scissors Showdown is in a category of its own. Attendees of all ages from the Triangle community will take part in the age-old game of rock, paper, scissors where teams of four will compete bracket-style to decide whether throwing a risky rock, pivotal paper, or strategic scissors will lead to their team becoming the next Rock Paper Scissors Champion.

It is our pleasure to announce our 8th annual Triangle Rock, Paper, Scissors Showdown on Saturday, March 30, 2019 at Big Boss Brewing Company in Raleigh. Learning Together's signature competitive event will feature record attendance. Last year's event saw over 200 attendees, more than doubling attendance of previous years, and raised 300% more in program funding than in 2017 alone.

Our top corporate sponsorships are catered to our partners' individual needs and requests, allowing the opportunity for customization. Your sponsorship of this unique event will provide the opportunity for your company's branding and regional exposure, entertainment and relationship building with clients, and employee engagement through this fun team-building competition. You will also be a proud supporter of a long standing Raleigh-based organization that provides critical services to so many families and children in our community each year.

Where Children of All Abilities Are Valued and Respected.

Learning Together
