

Join us for Learning Together's Annual **Ready, Set, Summer! Celebration**

Friday, June 13, 2025 ♦ 4:00-6:00 pm

ESUMC Bulla Youth Center ♦ 301 W. Jones St.

Ready, Set, Summer! is a community celebration directly following our graduation, and a kick-off to summer with an afternoon of fun for the whole family. In addition to recognizing our students who will be leaving us in the fall for kindergarten, we celebrate and support all families as they embark on their education journey. All are welcome! ***Join us!***

Why Support Learning Together?

Learning Together's certified developmental day center and community of resources empowers children with and without developmental delays and their families with the tools and skills essential for a life of learning and success.

We envision a future where children of all abilities and backgrounds have access to high- quality, equitable education and resources, families are equipped, and the broader community collaborates to inspire lifelong learning.

We provide an inclusive center-based program for children from 18 months to five years of age with or without delays or disabilities. We focus on the individual success of each child: in their academics, in their social development, and in their growth as future members of our community.

Learning Together's super-inclusive environment aims to reduce inequities in early childhood education by addressing several contributing factors including issues stemming from race, socio-economic status, and disabilities.

Our Sponsors are Our Partners

As a local nonprofit serving the community for over five decades, Learning Together values its community partners as an integral part of our organizational development. We strive to provide our partners with a mutually beneficial relationship that provides meaningful volunteer engagement for employees, marketing opportunities for companies, appropriate recognition to showcase our partnership, and long-lasting impact to the communities we serve.
