Join us for Learning Together's 15th Annual

Rock Paper Scissors Showdown!

Saturday, March 7, 2026 ♦ 5:00-9:00 pm

Trophy Brewing's Maywood Hall & Garden ♦ 622 Maywood Ave., Raleigh, 27609

In a community full of outstanding nonprofits and wonderful fundraisers, Learning Together's annual Rock Paper Scissors Showdown is in a category of its own. Attendees of all ages from the greater Triangle community will take part in the age-old game of Rock Paper Scissors where teams of four will compete bracket-style to decide whether throwing a risky rock, pivotal paper, or strategic scissors will lead to their team becoming the next Rock Paper Scissors Champion!

Our Sponsors are Our Partners

As a local nonprofit serving the community for over five decades, Learning Together values its corporate partners as an integral part of our organizational development. We strive to provide our partners with a mutually beneficial relationship that provides meaningful volunteer engagement for employees, marketing opportunities for companies, and long-lasting impact to the communities we serve.

Our top corporate sponsorships are catered to our partners' individual needs and requests, allowing the opportunity for customization. Your sponsorship of this unique event will provide the opportunity for your company's branding and regional exposure, entertainment and relationship building with clients, and employee engagement through this fun team-building competition.

Why Support Learning Together? We Change Lives through Education Equity!

Learning Together's certified developmental day center and community of resources empowers children with and without developmental delays and their families with the tools and skills essential for a life of learning and success.

We envision a future where children of all abilities and backgrounds have access to high-quality, equitable education and resources, families are equipped, and the broader community collaborates to inspire lifelong learning.

We provide an inclusive center-based program for children from 18 months to five years of age with or without delays or disabilities. We focus on the individual success of each child: in their academics, in their social development, and in their growth as future members of our community.

Learning Together's super-inclusive environment aims to reduce inequities in early childhood education by addressing several contributing factors including issues stemming from race, socio-economic status, and disabilities.

Pick your sponsorship and sign up your team today!
